High School Student Application

High School Student Application Information

Note: There are two separate forms and deadlines, one for graduating high school seniors, and one for college students.

Who is eligible to apply?

Bolton High School graduates and Bolton residents pursuing post-secondary education are eligible to apply for scholarships. Awards take into account many factors including financial need, academic achievement, extra curricular activities, community service and character. Certain scholarships carry additional specific criteria.

How does the process work?

Upon receipt, each application is checked for completeness and assigned a number by the chairperson of the Application Review Committee. The first page, containing identifying information, is then removed to preserve confidentiality. Using an objective, numeric scoring system, the committee reviews the numbered applications. The committee recommendations are presented to the full committee, which votes to determine the actual awards. Decisions are announced in June. The number of scholarships awarded depends upon available funds, and the amount of each scholarship will vary. Unless otherwise specified, scholarships are for one year, non-renewable, and must be used in the academic year for which they are awarded.

When are high school applications due?

The applications for graduating high school students are due Tuesday, April 24, 2012. Late applications are not accepted.

Application instructions.

1. Print or type all requested information.
2. Complete *all* items to ensure that your application can be assessed fairly. If you are not sure which school you will be attending, submit information for your first choice.
